A RESOLUTION TO AUTHORIZE THE CHIEF FINANCIAL OFFICER TO PAY INVOICES FROM ATC/C.E.R.M. INC FOR WORK DONE BUT FOR WHICH A NOTICE TO PROCEED WAS NOT ISSUED BY THE BUREAU OF CODE COMPLIANCE; AND FOR OTHER PURPOSES.

WHEREAS, the City of Atlanta did enter into FC-7449-02A Annual Contract for Geotechnical and Environmental Testing and Investigation Services with ATC/C.E.R.M., Inc.; and

WHEREAS, the Department of Planning and Community Development requires geotechnical and environmental services for Asbestos Survey Testing in connection with the demolition of structures which are funded by CDBG grants; and

WHEREAS, the usual practice for procuring such services calls for the Bureau of Code Compliance to seek approval of a notice to proceed as to each specific address through a resolution approved by the City Council; and

WHEREAS, with regard to certain structures listed on the attached invoices, notices to proceed were issued by letters from the former director of the Bureau of Code Compliance to ATC/C.E.R.M., Inc.; and

WHEREAS, it appears to the Bureau of Code Compliance that the vendor, ATC/C.E.R.M., Inc. did in fact provide such services in reliance on the notices to proceed issued by letters from the former director of said bureau; and

WHEREAS, the vendor, ATC/C.E.R.M., Inc., has submitted the attached invoices detailing the locations and dates where such services were provided; and

WHEREAS, the Chief Financial Officer requires legislation documenting the approval of the expenditure of funds by the Bureau of Code Compliance; and
